

“Pehlo divas”-

The Orientation program for young budding pharmacists @ BJS Edu Campus #Babaria Institute of Pharmacy on 09.08.2016

Orientation is where you begin to navigate the campus, learn about social and academic resources/programs and get your questions answered. It is the perfect time to receive academic advice, enroll in classes, meet new people and begin to make connections. It is also about having fun and to show your SLUGPRIDE!

Babaria Institute of Pharmacy, every year wholeheartedly welcomes the fresh minds- “The Future Pharmacist of Our Nation”, by organizing an Orientation Program. This year too, on 9th August, 2016, “Pehlo divas” was organized for the fresh batch of B. Pharm. (2016 - 2020). All the students and their parents were warmly welcomed by the BIP family with Kanku-Tilak to show the fragrance of love towards them.

Dr. Vandana B. Patel, Principal- Babaria Institute of Pharmacy, oriented the audience with her words of wisdom. She briefed the students about the culture and philosophy of BITS Edu Campus and Academic achievements of the college. She explained the strength of the college in terms of well qualified and dedicated team of teachers and best infrastructure in terms of well equipped labs and library. Principal ma'am elaborated upon the importance of co-curricular and extracurricular activities which are a regular part of BIP activities. She also appealed to the parents to motivate their wards to show enthusiasm towards participating in such activities which will lead to holistic development of students. She also briefed them about the scope of Pharmacy field and rules and regulation of the college. Principal ma'am appealed to students to bring more laurels for the institute by active participation in various curricular, co-curricular and extracurricular activities.

The Students were elaborated with time table, exam pattern and facilities of the college. They were also explained about discipline, various subjects of pharmacy, anti-ragging squad and various cultural celebrations at the college. Students and parents really enjoyed the mesmerizing speech of principal madam and faculty members. They were highly impressed with college campus and also promised to start teaching sessions regularly from the day itself.

The joy of students and satisfaction of parents was indication of the grand success of the function “Pehlo divas”.
