

**BABARIA INSTITUTE OF ENGINEERING AND TECHNOLOGY  
(GUJARAT TECHNOLOGICAL UNIVERSITY)**

In collaboration with  
**Education Department, Government of Gujarat.**

Organized

**VISIT TO GUJARAT VIDHANSABHA**

**On 14<sup>th</sup> march, 2016, Monday.**

**Report on Site visit to Vidhansabha**

India is a democratic country-of the people, for the people, by the people. So, all citizens should be familiar with the way democratic institutions work. As the students are the future generation of our country, so they should mainly be aware of the democracy.

Indian youth is running away from the working of Government, which mainly includes unawareness of the assembly's procedure. This unawareness is caused by the inefficient data available in the textbooks at school level. Sensing this shortcoming in the student community, GTU has coordinated with the Education Department, Government of Gujarat to allow GTU students and Faculty Members to visit the live sessions of Gujarat Vidhansabha and to have interaction with the Minister of Education in person.

We are highly thankful to **Dr. Akshai Aggarwal**, Vice-Chancellor, GTU; **Dr. N M Bhatt**, Director, GIT and **Dr. Manish A. Rachhh**, Associate Professor, GTU for arranging this special visit of Gujarat Vidhansabha for students and faculty members.

### **Entrance of vidhansabha**

The students and faculty members of BITS Educampus, belonging to CE, CS, EC, EE, and ME department had visited the Gujarat Vidhansabha on 14/03/2016 at 11:00 to 3:00 PM.

All the students & faculty members had reached to Vidhansabha, Gate No.1 at 11:35 AM. Visit started with systematic registration of students and faculties. Security check-in was very strict. After security check-in, students and faculty members went inside Vidhansabha. Their security officers divided the students and faculty members into different groups, and group wise they allowed us to enter into Vidhansabha Gruh and they instructed us how to behave and sit inside the Vidhansabha Gruh.

We were escorted to the different offices and finally we were brought to the large hall, where all the members were seated. We saw how the motions are approved, how the topics and issues are discussed. It was completely a different experience for us to sit there and watch the phenomena instead of watching it on television. Every member starts the speech with addressing the honorable speaker, even when the answer is made by some minister to the member, it starts with addressing the honorable speaker. This visit filled the colors of discipline, patience and strength against fatigue in us.

## Schedule of Visit

Sr. No.	Particulars	Time
1.	Departure from the college	7:30 am
2.	Reached at Vidhansabha Main Gate No.1	11:35 am
3.	Security Checking and General Instructions	11:35 to 12:15 am
4.	Group wise visit of Vidhansabha Gruh	12:15 To 01:30 pm
5.	Internal visit of Vidhansabha	01:30 To 02:30 pm
6.	Photo Session with honorable Chief Minister Anandiben patel	02:30 To 02:45 pm
7.	Photo session in front of Vidhansabha gruph	02:45 To 03:00pm
8.	Return to College campus	6:00 pm

Students and faculty members interacted and captured the photograph with the Honorable Chief Minister of Gujarat, Smt. Anandiben Patel. Honorable Chief Minister talked very kindly with our students and motivated our students with inspiring words. Students were very happy and excited by meeting with our Honorable Chief Minister. Students and faculties, then took a group photo outside the Vidhansabha.

By visiting and attending the live interaction of Gujarat Vidhansabha, students and faculty members learnt about how the Government is functioning. Total 65 students and 02 faculties visited the live session of Gujarat Vidhansabha.

### **Feedback**

It was an experience of a lifetime and I will always be thankful to the college (BITS Edu campus) and university (Gujarat Technological University) for this opportunity. We understood how legislative procedures are carried out and all in all it was a memorable trip.

- Ridham Goti (130054106001)

It was a wonderful experience in which we got to see the scenic beauty of vidhansabha. We also got to personally attend the hearings of Parliament where we could understand the state's issues. Later on while leaving we were given an amazing opportunity of meeting our honorable Chief Minister Anandiben Patel and also got to click picture with her.
