BITS Edu Campus

BITS Edu Campus established in 2004 by Shree Krishna Educational Charitable Trust, Vadodara, is located at Varnama on Vadodara-Mumbai NH#8, about 14 Km away from Vadodara. It is a self-contained campus on lush green land of about 27 acres of serene countryside and away from city environment.

The campus harbours Babaria Institutes of Technology, Pharmacy, BITS institute of Physiotherapy, Matrusri Davalba Ayurved Hospital and upcoming Krishna Ayurved Medical College(Proposed) . In its journey of over a decade, it has established itself as a premier center for education in Bachelor's and Master's Courses besides research and industrial consultancy. The campus is cosmopolitan in character, truly global in outlook, yet deeply rooted to the traditions and values of Indian culture. Extra-curricular activities like sports & games, cultural & religious activities are encouraged for all round personality development of students. Over a span of 14 years, the developments at BITS Edu Campus have seen phenomenal growth which has endorsed the true visionary leadership and profound dedication of **Shree Jagdishbhai Patel**, the Founder President and Chairman and prime mover of the campus and **Dhruv Patel**, CMD BITS Edu Campus.

Education Department, Government of Gujarat grants **Rs. 60 Lacs** to **Babaria Institute of Technology** under the Student Startup & Innovation Policy (SSIP)

We are in an era of rapid obsolescence in science and technology. Traditional education dynamics is in a state of flux due to global inventions and spurt in research and development.

At BIT in addition to academic excellence, our initiatives of adding multifarious skill sets in various streams, exposure to experts & leaders from different sectors of industry offer a great opportunity to see the outside world and enable students to build their repertoire.

Our continuous efforts to add to co-curricular skills for all round development helps students to be leaders as they step out in the new world.
